

In this project newsletter, we share an update on recent and upcoming community engagement activities.

Community Information Webinar

Over 95 participants attended our online webinar on 30 July 2024, presented by Shohan Seneviratne, the CEO of Murchison Green Hydrogen (MGH).

In addition to announcing MGH's recently awarded Major Project Status by the Commonwealth Government and updates regarding the facility design and production process, Shohan outlined the potential benefits of the project for the region and wider community.

If you missed the webinar, you can view it on our website by clicking on the link below.

Upcoming Events

The MGH team will be attending and running a number of events in the coming months, including:

- Our next online project update webinar
- Community drop-in sessions around the Mid West
- A community townhall in Kalbarri

More details regarding these events will be available soon on our [website](#).

Connect with the Project on LinkedIn

The MGH LinkedIn page is now live!

Follow the page today to keep up to date with the project, learn about new opportunities and connect with our team.
